

CERTIFICATE

OF INTERNSHIP COMPLETION

THIS IS TO CERTIFY THAT

P MAHESH KUMAR

has successfully completed a 3-month internship as a **Backend Developer** and **API Integration intern** at **MIMO (Vision Printt Technologies)**.

INTERNSHIP DURATION:

Start Date: 10/12/2025

End Date: 10/03/2025

ROLE:

Backend Developer and API Integration intern

During his internship at MIMO (Vision Printt Technologies), P. Mahesh Kumar demonstrated strong technical expertise, problem-solving abilities, and a commitment to developing practical software solutions. He contributed to backend development, REST API design, third-party API integrations, webhook-based automation, payment processing, and IoT-enabled printer automation. He worked with technologies including Python, Node.js, WhatsApp Cloud API, Raspberry Pi, and database services, while collaborating with the development team to improve system functionality, reliability, and operational efficiency. His ability to learn, adapt, and contribute to real-world development workflows made him a valuable member of the team.

KEY CONTRIBUTIONS:

- Developed backend modules and **REST APIs** using **Python** and **Node.js**.
- Implemented **API integrations** and **webhook workflows** for real-time communication.
- Integrated **WhatsApp Cloud API** for automated service interactions.
- Integrated **payment gateway services** into application workflows.
- Developed **Raspberry Pi-based printer automation** and **print queue management**.
- Improved automation workflows to minimize manual intervention and enhance operational efficiency.
- Participated in **testing, debugging, troubleshooting, and deployment** of backend features.
- Collaborated with the team to deliver reliable and scalable software solutions.

We sincerely appreciate P Mahesh Kumar's professionalism, technical expertise, dedication, and positive attitude throughout the internship.

His ability to learn quickly, adapt, and contribute effectively makes him a valuable asset to any team.

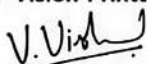

We are confident he will continue to excel in his future professional endeavors.

Sincerely,

Vishal
